

DEATH MAY COME TO HUNTINGTONS, SHOT BY BROTHER

Worry Over One Another Causes Relapse of Brother and Sisters.

Mother Collapses Under Strain of Seeing Children Suffer.

VERSAILLES, France, Aug. 15.—A sudden and unexpected change for the worse has occurred in the condition of the three children of the late Major Henry Huntington, an American, who were shot at the bedside of their dying father by their brother Henry. It is feared all will die.

Until the last few days all were considered convalescent. Elizabeth, thought at first to be only slightly hurt, is in the most serious condition. She was shot in the arm and gangrene is thought to have set in, making it necessary to amputate her arm, and she may not survive the operation. Edith, who received a bad wound in the breast, has suffered a severe relapse from worrying about her sister's alarming condition. The wound has opened and this was followed by an attack of fever.

Alonso Huntington, who still carries one bullet from his brother's revolver in the region of his heart, has also developed alarming symptoms from alarm over the danger threatening his sisters. Mrs. Huntington has collapsed under the strain of seeing her children relapse until they are in great danger, and is herself in a critical condition.

CONDUCTS TRIAL OVER TELEPHONE

Wyoming Judge Uses Novel Method in Case Fifty Miles Away.

CHEYENNE, Wyo., Aug. 15.—Tried, found guilty, and sentenced over the telephone was the unique way in which Justice W. P. Carroll, of Cheyenne, has just finished a case, saving at the same time a trip of fifty miles over the mountains to hold court.

Albert Bristol and Miss Fitzgerald, of Bear Creek Ranch, had a fight, and Bristol called by telephone and asked for a warrant for Fitzgerald. Judge Carroll granted the warrant and telephoned Fitzgerald to come in for trial. Fitzgerald replied that he was too busy, and asked that a hearing be given him over the telephone. Arrangements were made, attorneys retained by both men, and the case came to trial, the lawyers appearing before the court in Cheyenne, while both men remained at the ranch. Testimony was heard over the phone, and then both lawyers made their pleas. Judge Carroll fined Fitzgerald \$15 and he agreed to mail a check for the amount.

WAR ON NICARAGUA HOURLY EXPECTED

MEXICO CITY, Aug. 15.—News is hourly expected of an invasion of Nicaragua by Guatemalan troops.

The trouble will also probably involve Salvador, as Guatemala's ally, and Honduras, as Nicaragua's ally. The struggle threatens to be the fiercest Central America has seen in years.

The immediate cause of the strained relations is an old boundary dispute between Nicaragua and Guatemala. Mutual charges are also made of the harboring of political refugees.

At the bottom of the threatened conflict, however, is the long-talked-of move to force a union of all the Central American republics.

COLLISION HURTS FOUR GOING TO SMALL FIRE

Fear For Daughter's Offspring Made Christian Oppose Match

MRS. EDMOND RANDOLPH PRESTON, "Stonewall" Jackson's Granddaughter, Whose Father Explains Why He Opposed Her Wedding.

Father of "Stonewall" Jackson's Granddaughter Attacks Bridegroom's Family.

ATLANTA, Ga., Aug. 15.—Over his signature in a personal card, W. E. Christian, father of Miss Julia Jackson Christian, only granddaughter of Gen. Stonewall Jackson, of the Confederacy, denounced Edmond Randolph Preston, the young Virginian to whom she was married a few days ago at Salisbury, N. C., after an elopement.

Mr. Christian says: "I desire to say in behalf of my son, who is now a cadet at West Point, and in behalf of myself, that the cause of the runaway match was an objection by my son and myself, based upon the fact that Mr. Preston's mother died of epileptic fits at a sanitarium, and that his grandfather had epileptic fits."

"We have pleaded with her for over twelve months, through physicians and otherwise, to prevent her from throwing herself away, but she has been trapped, and the friends of mine throughout the South who know the circumstances are deeply grieved that this splendid, innocent girl should have been practically ruined, as far as her descendants are concerned."

B. S. Preston, a brother of the bridegroom, has replied to Mr. Christian, saying, "The statement that my mother died insane is without foundation in fact." He continues:

"It is not true that either of my grand-

fathers were subject to epilepsy. Both were prominent in Virginia. Col. J. T. L. Preston was a life-long friend of Stonewall Jackson. The Rev. Dr. B. M. Smith, my mother's father, was for forty years a professor in Union Theological Seminary. The Rev. Dr. John A. Preston, my father, was a widely known Presbyterian minister, being pastor of the First Presbyterian Church of Charlotte at the time of his death.

"Mrs. Stonewall Jackson has approved of the match of my brother and Miss Christian, and the marriage would have taken place at her home at Charlotte, N. C., but for the objections on the part of Miss Christian's family."

TURMOIL AT JAMESTOWN, CONSTABULARY RESIGNS

NORFOLK, Va., Aug. 15.—There is turmoil in the Powhatan Guard, the Jamestown Exposition constabulary, commanded by Capt. Henry W. Carpenter, U. S. M. C. Five commissioned officers, Captain House and Lieutenants McKay, Kunkel, Popper, and Willston, have resigned, and Capt. J. S. Garwood has been arrested on a warrant charging assault, sworn out by Captain House, who alleges that Captain Garwood knocked him down.

Captain Garwood is a big man, while Captain House is quite small. Captain Carpenter was sick and off duty when the trouble broke out. The officers who resigned alleged that Captain Garwood worked hardships on them, and asked that he be relieved of certain duties by which the hardships were imposed.

POWDER OF '76 WOUNDS YOUTH

Old Horn, Relic of Revolution, Explodes and Injures Boy.

PHILADELPHIA, Aug. 15.—What is possibly the last wound of the American Revolution was inflicted upon nine-year-old Frank Ash, of 4909 Fitzwater street. The boy was severely burned about the face, arms and head by a powder flash from an old powder horn carried by his great-grandfather in the American Revolution.

The old powder horn had been in the family for years and had lain around the house unprized for its historic value. Yesterday it was decided to throw it away and it was given to Frank to throw in the ash heap in the cellar of the house. Carrying it downstairs, all the while inspecting it, he found lodging about its inside edges, what looked like caked powder. Procuring a match he touched the flame to the stuff and in the moment there was a flash full in his face. His cries attracted his mother, who found the boy with the powder horn clutched in his hand seated on the floor of the cellar. Calling for help he was sent to the Presbyterian Hospital, where it was found that he had been badly burned.

The old powder horn will not now be thrown away.

EVELYN MAKES PEACE WITH HER MOTHER

PITTSBURGH, Aug. 15.—That a reconciliation between Mrs. Harry K. Thaw and her mother, Mrs. Charles J. Holman, of Pittsburgh, has been effected, in spite of the denials of the younger woman, has been made plain here by those close to the Holmans, and that the last olive branch was borne by Howard Nesbit, brother of the young wife, is also asserted.

That Mrs. Harry K. Thaw has either left New York with her brother Howard, or that she is going in a few days to Nova Scotia, as asserted here, in Nova Scotia she will be joined by others aside from her brother, when the coming trial of Thaw may be discussed.

DENVER, Col., Aug. 15.—Claude Hamilton, of Memphis, Tenn., accompanied by Mrs. Hamilton and his brother, started for Memphis in a small boat and will drift down the South Platte, Platte, Missouri, and Mississippi rivers, a distance of about 2,000 miles.

They came to Colorado a few weeks ago with the express intention of floating homeward. Memphis will be reached, barring accidents, about October 10. Mr. Hamilton has made a number of river trips of this sort, but none so long. He carries a camping outfit in his rowboat.

FORMAL APPOINTMENT OF N. Y. POSTMASTER

OYSTER BAY, Aug. 15.—Edward M. Morgan was formally appointed postmaster of New York city to succeed Mr. Wilcox, who resigned to become a member of the New York city public utilities commission. Mr. Morgan was assistant postmaster until Mr. Wilcox's resignation, when he became acting postmaster. Mr. Morgan arrived at Oyster Bay and took luncheon with President Roosevelt.

Two hours after his arrival he returned to New York bearing his commission as postmaster.

General Spends \$50,000 To See Old Boys Again

Invalid Veteran Plans Reunion of His Command, 15th Pennsylvania, at Colorado Springs, and Pays Expenses.

COLORADO SPRINGS, Col., Aug. 15.—Arrangements have been completed for the reunion of the Fifteenth Pennsylvania Cavalry, which will be held at Glen Eyrie, beginning August 20. A special Pullman train will leave Philadelphia with 20 survivors of the command, who will be the guests of Gen. William J. Palmer. He will pay all the expenses from the time the veterans leave their homes until they return again.

General Palmer wants to have "the boys" of his old command, the Fifteenth, with him, and he is sparing no effort or expense to gather as many as possible.

The Philadelphia train will pick up

a number of veterans along the route, and the Western members also will have their expenses paid. All of them will be the guests of General Palmer for six days, beginning August 20 and will have the privilege of remaining in the Pike Peak region until October 1. It will cost General Palmer \$50,000 to be host to the survivors of the Fifteenth at his estate. Glen Eyrie is a beautiful place near the Garden of the Gods, and it is here that all the meetings will be held. A special program of entertainment has been prepared, including a trip to Cripple Creek and sight-seeing trips in automobiles.

General Palmer is now an invalid. A year ago he was thrown from his horse and suffered injury to his spine. Ever since he has been unable to stand, and his body must always recline in one position.

KISS AT WEDDING STARTS BIG RIOT

Bridegroom Objects to Rival Pressing Lips of His Bride.

SHEENANDOH, Pa., Aug. 15.—A fierce fight took place at a foreign wedding celebration, in which men, women and even small boys mixed up in lively fashion, causing a small riot in the vicinity, which took the entire police force of the town to quell. When the smoke of the battle cleared away there were a dozen dangerously injured. Among the most serious were William Maconis, Peter Matukas, Andrew Derawicz, and Sidney Constant, who will never forget the terrible beating they received and will be under doctors' care for many a day.

One woman, who ran into the hottest part of the battle to save her husband, was also shamefully beaten, and one of her fingers was bitten off. The inside of the house where the celebration took place looked as if a cyclone had struck it, and almost every piece of furniture, even the stove in the kitchen, was broken.

It was all caused by jealousy. It is the custom among these people for the bride to be kissed, and then the favored one shall deposit a dollar on a plate. But in this case a rival of the new husband made his appearance, and when he attempted to kiss the bride the groom objected and attempted to eject his former rival, when a free fight resulted. The groom will have to furnish his new home.

MISS EMELIE A. HABERKORN.

Miss Emelie A. Haberkorn, 2251 Grandview Ave., St. Louis, Mo., writes: "For over two years I was troubled with catarrh of the internal organs. I heard of Dr. Hartman's book, 'The Ills of Life,' I read it and wrote to the doctor, who answered my letter promptly. I began taking treatment as soon as possible."

"Tongue cannot express how I suffered with my stomach, and I also was troubled with catarrh of the head. I didn't feel like myself for a long time. 'So I began taking Peruna. I have taken four bottles, and now I cannot praise it enough."

"Any one who has chronic catarrh should write Dr. Hartman. He will help any one. I feel grateful for what the doctor has done for me, and would not do without Peruna. I now enjoy as good health as ever."

Stomach Trouble. Mrs. Mary F. Jones, Burning Springs, Ky., writes: "I have had better health since using Peruna than for quite a number of years. One of my neighbors had stomach trouble. I recommended Peruna to her, and now she is well and healthy, after having been pronounced hopeless by several physicians."

YELLOWSTONE PARK IDEAL IN SEPTEMBER

Every month of the open season is delightful in the Park, but the early days of September present its wonderful charms in the best light. The temperature is bracing, the atmosphere without a blemish, the view distinct, and the roads at their best. The coach ride of 145 miles by easy stages, in full daylight, makes this a distinctively close-to-nature outing.

The Pennsylvania Railroad offers a most attractive tour leaving the East on September 3, arriving in the Park on the 6th and remaining until the 11th, allowing five and one-half days of perfect sightseeing.

The return trip, by way of the bustling cities of the North Pacific Coast, through Oregon, Idaho, Utah, and the scenic trail of Colorado is enhanced in interest by the charm of the season.

Excursion tickets, including all necessary expenses, will be sold from Washington and Baltimore at \$229; and at proportionate rates from other cities.

A completely-appointed special train, in charge of Tourist Agent and Chaperon, for the exclusive use of the party, adds to the uniqueness of the trip.

As the membership of the party is necessarily limited, applications for reservations and itineraries should be made at once to B. M. Newbold, P. A. S. E. D., 15th and G Streets, N. W., Washington; Geo. W. Boyd, General Passenger Agent, Philadelphia; or to Pennsylvania Railroad Ticket Agents.
